## Mold Solution

### Cleaning Concentrate

**DO NOT USE FULL STRENGTH**

16 oz (makes 1 gallon of solution)

Gently pour CitriSafe™ Mold Solution into filtered or spring water (non-chlorinated) to make multi-purpose cleaning solution.

16 oz bottle makes 1 gallon

1 cup makes 1/2 gallon

1/2 cup makes 1 quart

1/4 cup makes 2 cups

Do **NOT** use to fill CitriSafe™ Air Treatment Refill Cartridges. This formula is for cleaning and is not effective in the cartridges.

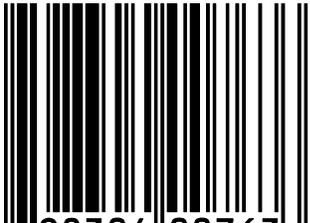

Do not ingest. Avoid contact with eyes.

**-KEEP OUT OF REACH OF CHILDREN-**

Ingredients: Filtered water, CitriSafe™ Botanical Blend, Surfactant.

Dist. By PharmaSource Int'l, Inc. Ph: 303.221.7621
